Body One Physical Therapy Private Pay Financial Policy

Body One Physical Therapy is committed to providing you with the best possible physical therapy care. The timely payment of your bill is an essential part of your treatment. The patient will be responsible for all amounts at the time that services are rendered. Our office accepts cash, checks and Visa/MasterCard/Discover/American Express credit cards including Health Savings Account cards.

You have elected to pay for all services and supplies rendered by Body One Physical Therapy "out of pocket". If you have coverage through a health insurance plan, by making this election, no claims for the services and supplies rendered will be submitted to your insurance carrier.

All payments are due at the time of services. Our Private Pay Day Rate is discounted based on payment at the time of service. All payments are due on the date the services are rendered. A \$10 service fee will be added to each date of service not paid for at that time. A fee of \$25.00 will be charged for any returned check. When paying from statement, any patient balance is due within 14 days of receipt. If we do not hear from you, and you have not contacted the billing office to make alternative payment arrangements, we will begin collection proceedings. We understand there are sometimes extenuating circumstances, and we want to work with you. If you need to make arrangements for payment, please talk with our front office staff or a member of the billing team.

You agree that you will pay all charges, collection fees, returned check fees, attorney fees and court costs incurred by the collection of all sums due.

I have read this financial policy. I understand and agree to comply with this financial policy. I authorize the release of any medical information required throughout the course of examination and treatment and permit payment directly to Body One Physical Therapy for any monies due for the services rendered.
